## Membership Redux— From the Membership VP:

Remember all those names that were submitted for the 9/13/05 Guest Night? Remember all the folks that showed up on 9/13/05? Wasn't the sound grand? If you long to have more guys on the risers to recreate that monstrous sound, feel free to pitch in. How about calling up those guys whose names you submitted? How about offering a ride again to those guys you brought?

The holiday season is the perfect time to bring guests. Not only will we be singing familiar and easy-to-learn tunes, but we'll also be doing some laid back sing-outs at various local malls – a perfect opportunity for a new guest to join our holiday chorus.

And what's a catch phrase you can use? I like the term that JMA laid on me: "If you're too busy to sing, you're too busy"! These days an equally good phrase is: "You can sing too"!

## **Miscellaneous--**

1. From the general busybody:

A roster update is underway. Please  
check off your data on the clipboard on  
Tuesday evening. Or send any updates to  
Charlie Church via e-mail  
([ccchurch@pshit.com](mailto:ccchurch@pshit.com)). And a reminder  
that address changes etc. should also be  
reported to International via chapter  
secretary Dave Stonecliffe or changed  
directly on-line by you in the "members  
only" section of the BHS website.

2. There will be no newsletter next week  
since the editor will be on vacation.  
Also an every 2 week format or twice a

month format is being considered.  
Another thought is that the editor will be  
away for March and April so if anyone  
wants to take on the responsibility of  
continuing the newsletter for that time  
period, they can talk to me.

**Reminder:** A critical mass must  
be achieved in order for us to perform  
up to standard at the November 5<sup>th</sup>  
Veterans Day parade in Vergennes.  
Tuesday night will be the last day to  
give us a count—if you are going, be  
sure to sign up.
